With 18 years in the insurance industry, I have the knowledge and experience to help you better understand your coverage options--whether that's auto, home, life, commercial and more.At my agency, providing top-notch customer service and building relationships with my clients are everything! When you're a client of ours, you can just walk in the door and we'll know who you are. We're located on the corner of Franklin and Meridian Roads, feel free to stop by and put this to the test!When I'm not in the office, I love to spend time with my wife and my daughter, who I'm proud to say we are raising right here in Meridian. We are all very involved in our local church community, and we love to stay active with cross-fit! It's a great way to get exercise and live a very healthy life - although this healthy lifestyle doesn't mean that we don't need good life insurance policy!When we meet, you will notice that I am paraplegic. I lost use of both my legs in a motorcycle accident, which really opened my eyes to how important a good insurance policy can be. After the accident, my family was able to think about the future. Motorcycles can be replaced financially if you have good motorcycle insurance.
